

The Town of Geraldine
Donate a Tree Project

The Town of Geraldine is taking donations to purchase trees to help re-green the town park. You may purchase a tree in memory of, in honor of or donated by someone for a \$100 donation. There will be a small plaque, approximately 4 X 5 inches placed on a stake in front of the tree. You may choose which kind of tree you would like below IF new trees are planned. If not, then please consult the "Donate a Tree map" and find the tree you would like and specify the tree number below. The town will be responsible for placing, planting and maintaining all trees. The town will make every effort to care for the trees; however they are not guaranteed and may not be replaced if the tree dies. For more information, call town hall at 256-659-2122.

Please fill out the information below. Make checks payable to Town of Geraldine. Fill out a separate form for each plaque.
